

Certificate No BDSET-RAJ-662

Issue Date: 25 June 2026

CERTIFICATE OF COMPLETION

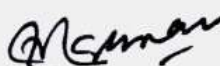

THIS IS TO CERTIFY THAT

Md Noman Biswas Sibly

has successfully completed the 6 (six) months training program comprising a total of 288 hours on **“AI for Immersive Technology (AI, ML, DL, VR, AR, MR, XR)”** under the **BDSET Project**, implemented under Bangladesh Hi-Tech Park Authority (BHTPA), Information and Communication Technology Division.

During this period, the trainee has acquired both theoretical knowledge and practical skills in immersive technologies, artificial intelligence, machine learning, and related advanced technologies from our training center.

I wish him/her every success in future endeavors.

Project Director
BDSET Project
